12 - 13 July 2025

Theme:

"Illuminating blindspots in mental health"

**Venue : Anil Gardens
Magunta Layout, Nellore.**

Organised by

Nellore Psychiatric Society

Dear esteemed Colleagues and Friends.

It is with great joy and heartfelt enthusiasm that we invite you to the grand finale of our academic calendar – APPSYCON 2025, hosted in the culturally vibrant and professionally flourishing city of Nellore.

This year's theme, "Illuminating Blind Spots in Mental Health," is a call to explore critical topics often overlooked during our formal training—unique clinical dilemmas, neglected populations, underrepresented interventions, and hidden social realities in Psychiatry.

Event Highlights:

- Powerful orations by eminent faculty.
- Dynamic young speakers addressing unconventional topics.
- Esteemed chairpersons steering every session.
- Respected Chief Guests and Guests of Honour gracing the event.
- State-wide UG quiz, numerous awards, and free paper & poster presentations .

Hosted in a centrally located venue with beautiful ambiance, the scientific sessions will go beyond textbook discussions. Thoughtfully planned by a meticulous and dedicated organizing team, the event promises an engaging academic atmosphere.

With learning, leisure, and camaraderie beautifully interwoven, this conference will offer a refreshing experience for all—seasoned clinicians, enthusiastic postgraduates, and bright undergraduates alike.

We warmly welcome you to join us in Nellore, not just as a delegate, but as part of a celebration of psychiatric fraternity with a sense of purpose.

With regards

Dr. K. Uday Kumar
Organising Chairman

Dr. P. Srinivasa Teja
